I grew up in suburbs of New York,nfl jersey supply, the product of an extended family of Giants fans. Until high school,leaked nike nfl jerseys,hockey jerseys custom, football and the Jets were an afterthought. I was always pondering questions like: Why does my best friend imitate Ken O'Brien by taking a snap and immediately falling on his back? Why does Grandma's coffee table have a Sports Illustrated with Lawrence Taylor and Mark Gastineau on the cover that is telling me that the Jets are second banana in the Big Apple? We prayed for Byrd while driving across the Tappan Zee Bridge. I tracked news of Byrd's progress in the days and weeks that followed. Before I knew it,nike football jersey,game worn nhl jerseys, I had become a Jets fan,nfl pink jersey,nfl store,customized football jerseys, one who cheered when Byrd eventually walked again. Tragedy marks the origins of superheroes and of fans. I'm a Jets fan because of a superhero named Dennis Byrd. The New York Jets are coming off their worst offensive performance. They scored no points and committed a season-high three turnovers in a 9-0 loss -- after their bye week and at home -- to the Green Bay Packers. Wary fans might be wondering if second-year quarterback Mark Sanchez is about to wobble. His teammates,iowa football jersey,football jersey numbers, however,nfl 2012 jerseys,leaked nike nfl uniforms, are convinced he'll stand tall Sunday against the Detroit Lions. "No question,shop nfl jerseys," Jets right tackle Damien Woody said. "It's just not in his DNA to really pout about what happened. He's a fighter. He'll put that game behind him just like everybody else will,football jersey size chart,youth hockey jersey, and we'll go out there and put together a good performance against Detroit." Football Outsiders writer Vince Verhei is skeptical. He sees too much shakiness in Sanchez's game. In fact, he argues that Sanchez has regressed, and the Jets can expect more bounces to start going against them. In an ESPN Insider column,wholesale football jerseys, Verhei points out Sanchez has a lower completion percentage and is averaging less distance per attempt than his rookie season. While neither of Sanchez's two interceptions last week were his fault,nike uniforms nfl,nfl and nike, and his total is way off last year's gaudy pace,nfl jersey cheap, Verhei notes defenders actually are getting to more passes this year. They're just not catching them. Opponents averaged 3.4 passes defensed a game against the Jets last year,customize football jersey,Cheap NCAA Jerseys, but are averaging 5.0 this year. Verhei writes: In other words,nike football jersey, Sanchez has avoided turnovers in 2010 not because he has been more careful with the ball but because opponents have been dropping their interception opportunities. As we've seen in the past two weeks,nfl jersey size chart,nike nfl combat uniforms, Sanchez will still make mistakes,authentic nhl jerseys cheap,make your own college football jersey, and good defenses will be able to capitalize on them. On the plus side,football jerseys cheap, Sanchez has fumbled only once this year and didn't lose it. He fumbled 10 times last year, losing three. But as a team,hockey jersey sizing,university of maryland football jersey, Verhei explains,virginia tech football jersey,university of maryland football jersey, "the Jets have had outrageous fortune falling on loose balls this year" and expects that trend to correct itself eventually. It wasn't until my father and godfather took me to my first N.F.L. game ?a between the Kansas City Chiefs and the Jets at the Meadowlands on Nov. 29, 1992 ?a that a Jets-related question

seemed truly urgent. It was: Is that player going to be O.K.? Like many around me that day, nike 2012 nfl uniforms, flag football jersey, I was worried about Jets defensive lineman Dennis Byrd, wisconsin badgers football jersey, who had collided with a teammate on an attempted sack and was not getting up. In comic books, superheroes always seem to have tragic origins. I believe most sports fans can relate to that. Minutes passed before Byrd was carried off the field on a stretcher. It wasn't until later, nike nfl uniforms leaked, on the ride home, nfl jersey sizing, that my dad and I heard that Byrd had injured his neck. It was feared that he would be paralyzed for life.
